### BRAIN DEVELOPMENT

Our curriculum is designed to support your child's growing brain through engaging, play-based learning experiences that build memory, problem-solving, communication, and critical thinking skills.

### NAEYC ACCREDITED

All Legacy Academy locations are NAEYC Accredited, representing the gold standard in early childhood education. This distinction reflects our commitment to high-quality learning environments, exceptional teaching practices, and providing children with the foundation they need to thrive.

### KINDERGARTEN READINESS

We prepare children with the academic, social, and emotional skills they need to succeed in kindergarten and beyond through a research-based, child-centered approach.
